

PARAKH (NAS) PRACTICE - SOCIAL STUDIES

Find the Odd One Out

Competency A: Explains the working of the three tiers of local self-government. Competency B: Analyses the changes in early human society from nomadism to early civilisation.

Suitable for Classes 6 to 9 (NCERT / SCERT Telangana Social Studies)

General Instructions

1. This booklet has 16 'find the odd one out' questions (8 per competency).
2. In each question, THREE of the four choices belong to one group.
3. Choose the ONE choice that does NOT belong - the odd one out.
4. The Answer Key with brief explanations is given at the end.
5. There is no negative marking in NAS.

About the sources (read before verifying):

Every question carries a 'Reference from:' line (book -> class -> chapter -> concept). Page numbers are omitted because they vary by edition; share the textbook PDF to pin exact pages. Items marked [!] should be verified in a Class 9/higher text before use with students.

SECTION A - LOCAL SELF-GOVERNMENT (Three Tiers)

Competency: Explains the working of the three tiers of local self-government.

1. Find the odd one out:

- A. Gram Panchayat
- B. Municipal Corporation
- C. Mandal Parishad
- D. Zilla Parishad

Reference from: NCERT Class 6 'Social and Political Life-I', Ch.5 'Panchayati Raj' (three rural tiers) & Ch.7 'Urban Administration' (Municipal Corporation is urban); SCERT Telangana Class 6 SS - Local Self-Government. Concept: rural tiers vs urban body.

2. Find the odd one out:

- A. Sarpanch
- B. Mandal Parishad President
- C. Prime Minister
- D. Zilla Parishad Chairperson

Reference from: NCERT Class 6 SPL-I, Ch.5 & Ch.7 (heads of local bodies) vs Ch.3 'What is Government' (PM heads the national government); SCERT Telangana Class 6 SS. Concept: local heads vs national head.

3. Find the odd one out:

- A. Ward Member
- B. Councillor
- C. MPTC
- D. ZPTC

Reference from: SCERT Telangana Class 6 SS - Local Self-Government (Ward Member, MPTC, ZPTC are rural terms) vs NCERT Class 6 Ch.7 (Councillor is a municipal member). Concept: rural vs urban representatives.

4. Find the odd one out:

- A. Providing drinking water
- B. Conducting the country's foreign policy
- C. Maintaining village roads
- D. Providing street lighting

Reference from: NCERT Class 6 SPL-I, Ch.5 (Gram Panchayat functions) vs foreign policy as a Union subject (NCERT Class 8 SPL-III); SCERT Telangana Class 6 SS. Concept: local functions vs Union subject.

5. Find the odd one out:

- A. Nagar Panchayat
- B. Municipality
- C. Gram Panchayat
- D. Municipal Corporation

Reference from: NCERT Class 6 SPL-I, Ch.7 'Urban Administration' (urban bodies) & Ch.5 (Gram Panchayat is rural); SCERT Telangana Class 6 SS. Concept: urban bodies vs rural body.

6. Find the odd one out:

- A. Sarpanch
- B. Ward Member
- C. Mayor
- D. Panchayat Secretary

Reference from: NCERT Class 6 SPL-I, Ch.5 (Sarpanch, Ward Member, Secretary) & Ch.7 (Mayor); SCERT Telangana Class 6 SS. Concept: elected representatives vs appointed official.

7. Find the odd one out:

- A. State Election Commission
- B. Reserve Bank of India
- C. Gram Sabha
- D. Five-year term of local bodies

Reference from: [!] State Election Commission & the five-year term (73rd/74th Amendment) - Class 9/10 civics; Gram Sabha - NCERT Class 6 Ch.5. The RBI (banking) is unrelated to local self-government. Concept: local-body items vs an unrelated national body.

8. Find the odd one out:

- A. Gram Sabha
- B. Gram Panchayat
- C. Zilla Parishad
- D. Sarpanch

Reference from: NCERT Class 6 SPL-I, Ch.5 'Panchayati Raj' (Gram Sabha, Gram Panchayat, Sarpanch are village-level) vs the Zilla Parishad (district level); SCERT Telangana Class 6 SS. Concept: village level vs district level.

SECTION B - EARLY HUMAN SOCIETY (Nomadism to Early Civilisation)

Competency: Analyses the changes in early human society and early civilisation.

9. Find the odd one out:

- A. Old Stone Age
- B. Middle Stone Age
- C. Iron Age
- D. New Stone Age

Reference from: NCERT Class 6 'Our Pasts-I', Ch.2-4 (Old/Middle/New Stone Ages) vs the Iron Age (a metal age); SCERT Telangana Class 6 SS. [!] 'Iron Age' label - verify in Class 9/higher text. Concept: Stone Ages vs metal age.

10. Find the odd one out:

- A. Harappa
- B. Mohenjodaro
- C. Lothal
- D. Mumbai

Reference from: NCERT Class 6 'Our Pasts-I', Ch.4 'In the Earliest Cities' (Harappa, Mohenjodaro, Lothal); SCERT Telangana Class 6 SS. Mumbai is a modern city. Concept: Harappan sites vs a modern city.

11. Find the odd one out:

- A. Electricity
- B. Pottery
- C. Metallurgy
- D. Spinning and weaving

Reference from: NCERT Class 6 'Our Pasts-I', Ch.3 & Ch.4 (pottery, metallurgy, spinning & weaving); SCERT Telangana Class 6 SS. Electricity is a modern technology. Concept: early technologies vs modern technology.

12. Find the odd one out:

- A. Hunting animals
- B. Gathering fruits
- C. Buying food in a supermarket
- D. Catching fish

Reference from: NCERT Class 6 'Our Pasts-I', Ch.2 'On the Trail of the Earliest People' (hunting, gathering, fishing); SCERT Telangana Class 6 SS. Supermarkets are modern. Concept: early ways of getting food vs modern.

13. Find the odd one out:

- A. Mahavira
- B. Gautama Buddha
- C. Ahimsa
- D. The Kalinga war

Reference from: NCERT Class 6 'Our Pasts-I', Ch.7 'New Questions and Ideas' (Mahavira, Buddha, Ahimsa) vs Ch.8 'Ashoka...' (the Kalinga war); SCERT Telangana Class 6/7 SS. Concept: non-violence / new ideas vs a war.

14. Find the odd one out:

- A. Stone tools
- B. Seals
- C. Mobile phone
- D. Megaliths / burials

Reference from: NCERT Class 6 'Our Pasts-I', Ch.1 (sources), Ch.2 (tools), Ch.4 (seals) & Ch.5 (megaliths/burials); SCERT Telangana Class 6 SS. A mobile phone is modern. Concept: ancient sources of history vs a modern object.

15. Find the odd one out:

- A.** Sheep
- B.** Goat
- C.** Tiger
- D.** Cattle

Reference from: NCERT Class 6 'Our Past-I', Ch.3 'From Gathering to Growing Food' (domestication of sheep, goats, cattle); SCERT Telangana Class 6 SS. The tiger is a wild animal. Concept: domesticated vs wild animals.

16. Find the odd one out:

- A.** Well-planned drainage
- B.** Brick houses
- C.** The Great Bath
- D.** Railway station

Reference from: NCERT Class 6 'Our Past-I', Ch.4 'In the Earliest Cities' (drainage, brick houses, the Great Bath); SCERT Telangana Class 6 SS. A railway station is modern. Concept: Harappan city features vs a modern feature.

ANSWER KEY WITH EXPLANATIONS

SECTION A - LOCAL SELF-GOVERNMENT (Three Tiers)

1. (B) Odd one out: Municipal Corporation. Gram Panchayat, Mandal Parishad and Zilla Parishad are the three RURAL tiers of Panchayati Raj; a Municipal Corporation is an URBAN local body.
2. (C) Odd one out: Prime Minister. Sarpanch, MPP and ZP Chairperson head local (self-government) bodies; the Prime Minister heads the national government.
3. (B) Odd one out: Councillor. Ward Member, MPTC and ZPTC are elected representatives in RURAL local bodies; a Councillor is a member of an URBAN municipality.
4. (B) Odd one out: Conducting the country's foreign policy. Water, roads and street lighting are Gram Panchayat functions; foreign policy is a Union (central) subject.
5. (C) Odd one out: Gram Panchayat. Nagar Panchayat, Municipality and Municipal Corporation are URBAN local bodies; the Gram Panchayat is a RURAL body.
6. (D) Odd one out: Panchayat Secretary. Sarpanch, Ward Member and Mayor are ELECTED; the Panchayat Secretary is an APPOINTED government official.
7. (B) Odd one out: Reserve Bank of India. The other three relate to local self-government; the Reserve Bank of India is the country's central bank (banking).
8. (C) Odd one out: Zilla Parishad. Gram Sabha, Gram Panchayat and Sarpanch all belong to the VILLAGE level; the Zilla Parishad works at the DISTRICT level.

SECTION B - EARLY HUMAN SOCIETY (Nomadism to Early Civilisation)

9. (C) Odd one out: Iron Age. Old, Middle and New Stone Ages are all Stone Ages; the Iron Age is a metal age.
10. (D) Odd one out: Mumbai. Harappa, Mohenjodaro and Lothal are Harappan (Indus Valley) sites; Mumbai is a modern city.
11. (A) Odd one out: Electricity. Pottery, metallurgy and spinning/weaving are early technologies; electricity is a modern technology.
12. (C) Odd one out: Buying food in a supermarket. Hunting, gathering and fishing were early ways of getting food; buying food in a supermarket is modern.
13. (D) Odd one out: The Kalinga war. Mahavira, Buddha and Ahimsa are linked with non-violence and new peaceful ideas; the Kalinga war was a violent war.
14. (C) Odd one out: Mobile phone. Stone tools, seals and megaliths are ancient sources that tell us about the past; a mobile phone is a modern object.
15. (C) Odd one out: Tiger. Sheep, goats and cattle were domesticated (reared) by early people; the tiger is a wild animal.
16. (D) Odd one out: Railway station. Drainage, brick houses and the Great Bath are features of Harappan cities; a railway station is modern.

SOURCE & VERIFICATION SUMMARY

Book, class, chapter and concept in each reference are dependable pointers to where the idea is taught. Page numbers are omitted on purpose (they change between editions); share the textbook PDF and verified page numbers can be added.

Competency A - Local Self-Government

NCERT Class 6 'Social and Political Life-I', Ch.5 'Panchayati Raj' & Ch.7 'Urban Administration' (with Ch.3 'What is Government'); SCERT Telangana Class 6 SS - Local Self-Government. [High - core text]

Competency B - Early Human Society

NCERT Class 6 'Our Past-I', Ch.1-5, 7 & 8 (earliest people, growing food, earliest cities, burials, new ideas, Ashoka); SCERT Telangana Class 6/7 SS. [High - core text]

[!] Stretch items to verify

State Election Commission & five-year term (Q7) and the 'Iron Age' label (Q9) are treated more fully in Class 9/higher texts - verify before use.

Honesty note for the reviewer: please check every [!]-flagged item against a Class 9/higher text before using it with students.
